TRAUMA RESEARCH AND COMBAT CASUALTY CARE COLLABORATIVE (TRC4) – REQUEST FOR APPLICATIONS

Deadlines: LOI: 3/1/2025 & Full Proposal: 6/15/2025

Established in November 2022, the Trauma Research and Combat Casualty Care Collaborative (TRC4) is a research entity singularly focused on addressing the critical need for improved trauma care in the United States. The TRC4 involves an initial collaborative partnership between the University of Texas System and the Department of Defense and serves as a unique collaborative entity seeking to catalyze transformative research efforts into trauma care.

Mission: To harness the power of the University of Texas System to transform trauma care both on the battlefield and in the civilian sector.

Vision: To fund transformative inter-institutional collaborative basic, clinical, and translational research that can be rapidly translated to improve trauma care throughout the state of Texas, and ultimately nationally and internationally.
